Industrial Symbiosis Workshop

Polaris Industrial Parks

17 July 2023

Chemonics Egypt
Consultants

International Synergies
industrial ecology solutions

Workshop Objectives

- Raising awareness of companies on the benefits of industrial symbiosis (IS).
- Establishing synergies to achieve joint training, joint services and successful exchanges of energy, water, materials and waste between companies.
- Strengthening the linkage between factories and service providers.
- Identifying industrial symbiosis opportunities and creating industrial symbiotic matches.

Date and Location

- **Date:** 17 July 2023
- **Time:** 10:30 AM (CLT) – 9:30 AM (CET)
- **Location:** Hilton Dream Hotel – 6th of October City

Target Audience

- Polaris industrial park (IP) management
- Decision-makers, environmental and waste management managers in industrial firms in Polaris IP
- Other industrial firms neighbouring the IP, with whom IS could be created
- Waste recyclers and waste management service providers
- Relevant environmental and industrial governmental authorities

Language

English and Arabic interpretation will be provided
